

THE GARDEN BAR

We consider our food to be an art form.

While our Garden Bar menu is simple, the preparation is thoughtful and precise. Our pizza dough is made in our own kitchen using organic wheat flour, locally-sourced honey and sea salt. Our sauce features ripe, organic tomatoes roasted by the fire to bring out their natural sweetness. Our pizzas are topped with only the freshest ingredients, organic and locally-sourced when possible. We cook our pizzas the old-fashioned way, above the ashes of hardwoods, stoking the fire until the embers are red-hot and the oven reaches 600 degrees, providing the perfect environment for a delicious, crispy-edged pizza.
